About Paris

The city of light, a kaleidoscope of culture, art, beauty and history. A blend of both old and new architecture, museums, the romantic River Seine, street cafés and, of course, the chic Parisians, all combine to make Paris a vibrant and fascinating place to experience. To find out more, visit the [official website of the city of Paris](#).

Like in all major cities, pick-pockets operate around the tourist attractions so please keep your valuables safe.

Electricity

The supply voltage is 230V and sockets take plug types C and E.
